

INVITATION

BMUC Preceptorship Namur
Uro-oncology

Thursday 15 & Friday 16 February 2024
Royal Snail Namur

Dear colleague,

We are pleased to extend an invitation to you for participating in the BMUC Preceptorship in Namur, taking place on Thursday 15 & Friday 16 February 2024 at the Royal Snail. This meeting on genitourinary cancers is organised by BMUC, the Cliniques Universitaires St-Luc (UCL), the Jules Bordet Institute, the Erasme Hospital, the Université Libre de Bruxelles and the CHU Liège.

The BMUC Preceptorship targets a small group of 25-30 young physicians from various disciplines including medical oncologists, urologists, radiation oncologists and other colleagues involved in uro-oncology. By combining state-of-the-art presentations and clinically relevant cases, it provides a platform for discussion, professional development, exchange of experiences and networking.

We are delighted to welcome an important number of national and international experts for this meeting. The highly interactive and dynamic nature of the meeting will contribute to a better management of our cancer patients.

We look forward welcoming you in Namur for an exciting high-level meeting on 15 & 16 February 2024.

Marco Gizzi

François-Xavier Otte

Thierry Roumeguère

Brieuc Sautois

Chair members
