Anderson Cancer Center,
Houston, TX, United States

Guillermo de Velasco
Medical Oncology
Hospital Universitario 12 de
Octubre, Madrid, Spain

Bernadett Szabados
Urology
Bart's Cancer Institute and
University College London Hospital,
London, United Kingdom

Real-world strategies in MIBC management

Join us for an engaging, case-based webinar exploring the evolving landscape of localised MIBC. Our international faculty will discuss how to identify and apply optimal treatment strategies across the continuum of care, from initial management of M0 MIBC to adjuvant approaches.

Programme

Time	Title	Faculty
19:00	Welcome & faculty introduction	Bernadett Szabados
19:05	Setting the scene: up-to-date overview of current standards in MIBC management and how to translate emerging evidence into clinical practice	Ashish Kamat
19:15	Clinical case 1	Guillermo de Velasco
19:20	Discussion and Q&A and re-vote	All, moderated by Bernadett Szabados
19:30	Clinical case 2	Vérane Achard
19:35	Discussion and Q&A and re-vote	All, moderated by Bernadett Szabados
